Candidate Profile Statement

Lori Kidney resides on a family farm east of Tisdale. Lori and her husband Todd have two daughters that attend Tisdale Middle and Secondary School. Lori holds a Bachelor of Commerce degree with a double major in Marketing and Human Resource Management.

Lori's past work experience includes various sales, account management and product distribution roles within the agriculture industry. Over her 18-year career, Lori travelled extensively throughout the North East as well Western Canada. She is active on the farm and in the community, sitting on Tisdale Minor Hockey, Tisdale Minor Ball and the KidSport Board.

"I feel the North East is a fantastic place to raise children, and I look forward to assisting NESD as a board member. I feel that my past business experience, as well as being a parent of young children will be an asset to NESD".
