

Brunswick School

Mission

We are here to empower all students to develop the skills and desire that enable them to become educated, life-long learners.

Vision

Based on collaborative partnerships between students, staff and community, the vision of Brunswick School is to provide student-centered instruction and authentic assessment in an inclusive environment that is safe, empowering and instills the importance of continuous growth toward life-long learning.

Values

Our collective commitments for accomplishing our mission and our vision are:

1. We will foster a safe and respectful environment
2. We will be student-centered.
3. We will support collaboration.
4. We will encourage collective inquiry.
5. We will strive for continuous improvement.
6. We will provide authentic assessment and reporting.
