### Upfront and open

School div needs to be upfront with parents. No smoke and mirrors. With what they are planning on doing for the upcoming year

4.2 ★★★★★ (43 👤)

### Kids in classes in person

Kids need social interaction for development as well. Not all kids learn well online. Kids learn so much about human interaction as a life skill

### I would just like to thank the teachers for their hard work with adjusting to the supplemental learning program, it was wonderful.

It gave children the opportunity to continue to work towards their year end goals and was the best we could have hoped for.

**I hope that they will get to have the full back to school experience.**

School isn't only about learning. They need the responsibility of getting their work done and the socializing skills as well.

**It is not realistic to expect teachers to provide online learning modules as well as providing in classroom teaching.**

This is like having 2 full time jobs.

4.2 ★★★★★ (15 👤)  
Ranked #8 of 10

**I would like to see as seamless a continuum as possible in my children's education, not stops and starts throughout the year.**

I feel this is important for my children's mental well-being, morale, and motivation as students.
