

Welcome,

I would like to thank you all for attending the SCC's Annual General Meeting. I would also like to take a minute to introduce the SCC board

- Myself Lina Ralph – Chairperson
- Julie Gray– Treasurer
- Erin Gray – Secretary
- Mavis McCrea– Board member
- Stacey Mutimer – Board member

And our staff representatives

- Patrick Smoke - Principal
- Vanessa Warnock – Teacher Representative

This passed year has been an extremely different and challenging year for us all. With that being said the SCC started the year off on the right foot.

- In September we had our 3rd annual Welcome back BBQ. Thank you to Arborfield Diamond North Credit Union for donating the meat and buns for this event. This event was organized to encourage community and parent involvement. And with each year we continue to see more and more support.
- In October we supplied the teachers with supper during the Student Led Conferences. We also handed out Halloween treat bags for the kids after the assembly.
- At the end of each month an assembly would take place. This was a great way for parents and community member's to stay informed of what had happening during that month. One specific award that was handed out to students was the Wolf Pack Leader award. This award was handed out to students who displayed acts of kindness, respecting themselves and others. The SCC decided to donate \$10 gift cards to those kids who received this award.
- Mid November we held our Annual General Meeting.

- In January the SCC was invited to a Linkage meeting in Tisdale but unfortunately the SCC were unable to attend.
- Throughout the previous year, the SCC set goals and one of the goals was to bring in a mental health and addictions speaker for the 2019-2020 school year. The SCC felt that this was an important goal that needed to be met. With lots of discussion and research the SCC decided to bring in Chris Beaudrie. Unfortunately due to circumstances that were out of our control this presentation had to be cancelled.
- In February the SCC also helped out with the schools annual winter fest. Various activities for the students to take part in were planned along with Hotdogs and Hot Chocolate that were supplied by the SCC for the teachers and students. Staff appreciation week was also acknowledged in the month of February as the SCC surprised the staff with numerous little gifts throughout the week.
- In March we planned a St. Patrick's pancake breakfast for students/staff and community members. In the passed this event was well attended and very much liked by the students. But due to Covid-19 and the pandemic it was canceled as school closed on March 15th.
- For this coming school year the SCC has a number of things they are wanting to continue to do within the school as long as restrictions permit.

With all that being said the SCC would like to thank everyone for all their help and support this year. We continue to have a very strong board and would like to welcome anyone willing to join.
