

After School and Crosswalk Safety Expectations

Tisdale Elementary School

What do I need to do after school?

When the bell rings at 3:25, I need to remember the following:

- Make sure I know what my after school plans are
- Gather up my belongings quickly (make sure I have my agenda, lunch kit, backpack, homework, etc.)
- Wait quietly for my teacher to dismiss our class before leaving
- Walk down the hallway, remembering to stay on the right side and facing forward
- I will keep my hands and feet to myself and respect others' personal space

When I get to the boot room, I will remember to:

- Be patient and wait my turn
- Put on my outdoor footwear, being careful not to push and shove others
- Make sure that I only touch my own footwear
- Use my inside voice
- Put my cap on when I am inside of the boot room
- Exit the boot room, making sure I am careful when opening the door so as not to bump others. Offer to hold the door for others if their arms are full

On my way to the bus or crosswalk, I will:

- Keep my hands and feet to myself
- Be care and watch for others
- Respect plants and trees that have been planted around the school
- Stay on the sidewalk and out of any mud and water
- Remember my after school plans and go directly to where I am supposed to be (ie. bus, walking/riding my bike home, etc.) I will not stop to play on the equipment or visit with others.
- Remember to go quickly to the bus so others are not looking for me
- Remember not to walk into the parking lot or through the bus line up
- Be respectful to others and school property

Crosswalk Safety

It is very important that I follow the crosswalk safety rules and remember to:

- Use the crosswalk when crossing the street.
- Walk quickly across the street
- Walk (and not ride) my bike across the street
- Listen to the safety patrollers and supervisors
- Be a good example for others

Why is it important to follow after school and crosswalk rules?

- To ensure the safety of myself and others
- To make sure I am not keeping the buses waiting
- To prevent others from worrying about and having to look for me
- To be a responsible T.E.S student
- To demonstrate respect and responsibility for myself, others, and school property
