Reminder to Parents

Spring is upon us! Rubber boots are a necessity for Pre K through Grade 5 students for recess play and also be sure to mark your child's name in both boots as we have several pair that look exactly the same! Splash pants and an extra set of clothes including socks and underwear are a necessity for students until the playground is dried up! Please keep extra clothes in a ziplock bag or grocery bag in your child's backpack.

Bike season is here! Please be sure your child is wearing a helmet. Students riding bikes to school may leave them in the bike rack at their own risk. Students may bring a bike lock if they wish.

Contact Information Update

Just a reminder to parents that if you have moved, changed your email address or have a new cell phone number or home phone number, we would like you to contact the office to update your information. It is important to keep our records current in case we need to contact you or there is an emergency.

Tisdale Minor Ball Registration Night

March 30

Registration 7:00-8:00pm at
the RecPlex

AGM to follow at 8:00pm

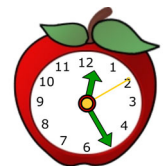

Lost & Found

As our lost and found continues to grow each week and we would appreciate your help in having your child's outdoor clothing labelled. This includes boots, mitts, hats, masks, hoodies and jackets. It allows us to get those items back to them if they have misplaced them. We regularly post pictures of lost and found items on our Facebook page. Please watch for those postings and let us know if there are items that belong to your household.

Student Arrival Time

A reminder that students are not to arrive at school until after 8:40 to ensure that proper supervision is available as our supervisors do not start until then. We thank you for your ongoing cooperation with this.

Thank you to our SCC for providing nutrition to staff on the evenings of SLC's in March. It was greatly appreciated and it allowed us to be able to eat prior to meeting with our families.

Thank you to all of the families that took time to meet with their children's teachers during the SLC's. It was great to be able to catch up and celebrate the many wonderful things your children are doing!!!

It has now been over a year since we have encountered things having to look and be different. We want to thank our amazing staff for all the work that they did as we moved to online last year and when we were able to return this school year. Our staff continues to work tirelessly to keep our students safe and happy, knowing that we have not been able to do as much as we used to or in the way we did. The creative thinking outside of the box has made this past year successful in so many ways and we thank our team for the dedication, patience and humour along the way!

We thank our students, families and staff for their continued patience and support and determination to keep one another safe by wearing masks, social distancing and so much more. We are doing so well! We look forward to the days that we can provide more opportunities for our school community to join us, until then we encourage you to keep up to date with how things are going on our web page and Facebook Page.

Kindergarten Registration for Fall 2021 is Now Open!

If you, or someone you know has a child who will be 5 years of age before December 31, 2021, they are eligible to start Kindergarten in September 2021.

Please visit the Tisdale Elementary Website and click on the link titled 'How to Register at Tisdale Elementary School'.

Once you have submitted your registration form, please send a picture of your child's Birth Certificate to wingert.karen@nesd.ca

If you have any question, please contact the school 306-873-4533.

SNACKS & LUNCHES

A reminder that TES is a PEANUT/NUT SAFE environment. Please be extremely cautious and read labels carefully to ensure the lunches and snacks you are sending with your child do not contain nuts of any sort as individuals in our school have life threatening allergies.

6 TIPS FOR SCREEN-FREE MEALS

Children eat better at meals when they aren't distracted by screens. Meals are also a great time to connect and share stories about the day, whether it be with family members or peers. Follow these tips to achieve screen-free meals.

Image Retrieved from Canada's Food Guide 2019

1. **Set daily screen time limits and avoid any screens with meals.** Create a family media plan, try this online tool: www.healthychildren.org/English/media/Pages/default.aspx
2. **Make small goals to start.** If screens were being used at meals all the time, start with one meal being screen free and then add on more screen free meals later on.
3. **Eat together as a family.** Sit at the dinner table to eat or create another designated eating area without distractions like T.V.
4. **Have a special location for your phones and tablets away from the table. Silence your devices and turn off the TV.**
5. **Talk and listen to each other.** Ask details about the day or try a conversation starter: thefamilydinnerproject.org/category/conversation/conversation-starters
6. **Once you have started at home, work with your school towards screen-free lunchrooms too.** Some great resources here to help: www.awayfortheday.org

PARENT OR GUARDIAN DECLARATION

We do hereby agree to hold harmless the Tisdale Minor ball Association for any injury that may occur to our child. We also agree to reimburse the Association for any equipment that our child neglects to return at season's end. I acknowledge the Association's Driving Policy and agree that I will be responsible for my child's transportation as per that policy and for all risks of injury and loss which might occur during that transportation. I also acknowledge that we will be assigned duties such as score keeping and diamond preparation for my child's team and failure to perform such duties may result in cashing of my volunteer cheque.
