

Lunch Hour

All TMSS students who live in town are strongly urged to go home for the lunch break (12:16pm – 1:05pm). Town students should only need to stay for designated school related noon-hour activities they may be involved in.

Grade 6-9 rural bus students and those students who have planned activities must eat lunch in the RECPLEX commons area or STOP room. Students are asked to sit while eating and to clean up behind themselves. Students will sit at the tables provided.

Senior students (grade 10-12) will be able to eat on the benches in the portable and upstairs area. If you do not have space on the bench you must be in the commons area.

No eating on the couches in the lounge.
