Parent-Teacher-Student Conferences Grade 6-8:

Booking will be made for students in grades 6-8 with either their English or their Math teacher.

Map My Future Grades 9-11:

To better support students in their graduation and career planning while also engaging parents, we are pleased to inform you that all grade 9-11 students will be preparing a presentation called “Map My Future”. Using provincial graduation/career planning software known as My Blue Print (MBP), students will be presenting about themselves as learners and individuals, while also tracking their course selections, on-time graduation plan and prospective career planning. To support the presentations, each Grade 9-11 student has been as a teacher facilitator. Parents interested in this opportunity are asked to contact the teacher facilitator to book an appointment during our regularly scheduled Parent-Teacher-Student Conferences.

All Parents Grades 6-12:

Parents interested in speaking with other teachers may check for openings on their doors and drop in on a first come-first serve basis. You can book ahead of time by contacting the teacher at lastname.firstname@nesd.ca or tmss@nesd.ca.
