# TMSS Scholarship Fund

*Striving for Excellence*

# The Dream

The TUCS Scholarship Fund was founded in 1988 with an initial generous donation of \$10,000 by Mary Hellofs, a teacher, author, musician and painter who taught in the Tisdale School Division from 1956 until her retirement in 1975. Mary loved children, and it was her

**Mary Hellofs**

dream that all students, regardless of financial restraints, have an opportunity to continue their education, and fulfill their academic goals. The fund was renamed "The TMSS Scholarship Fund" in 1999.

# A Vision for the Future

Those presently serving on the TMSS Scholarship Committee envision a day when the Scholarship Fund may be self-perpetuating. At present, we rely on memorial, organization and personal donations (large and small) from alumni and community-minded individuals for whom post-secondary education is a priority. Over \$20,000 is presented annually to members of the graduating class of TMSS.
