## Arborfield School Information Bulletin

### *Principal's Message*

Hello Arborfield School Community!

It's hard to believe we only have 6 weeks of school left to end this school year. It is exciting for the warm weather to return (although, the temperatures this past winter were pretty great!) May is going to be another busy month but we are excited for the challenges and opportunities that are coming.

First I want to say thank you to our SCC for helping with many lunches and fundraising to ensure we raised enough money to purchase our new buddy bench and table. We are looking forward to having the new items for our students, staff, and community to enjoy. Make sure you take some time to thank them as well.

Our next big community event is track and field on Friday, May 31st! We get to host this year! Stay tuned for all the details as we get to watch some spectacular athletic performances from our elementary students across the Northeast. Let's show our community pride and show why we're the best community around.

Lastly, I want to thank our farming families for all their hard work and the role they play in ensuring we have the food that we eat. Best of luck this year and let's hope the weather cooperates!

Thank you for your continued support for our school and I look forward to seeing each of you soon.

Yours in Education,

Patrick Smoke
