Sherri Hanson:

My husband and I moved to Arborfield in 1986, where we raised our three children and became active community members. I am a grandmother of three. My grandchildren have moved to the area and will attend school in subdivision 2. I envision them receiving a quality education and becoming contributing members of their respective communities as my children have. I enjoy gardening, travelling, watching sporting events and spending time with my family. I recently retired from a 35-year career as a continuing care assistant with our local long-term care facility. During my time in healthcare, I was part of various Saskatchewan Government and General Employees Union committees. Through my experiences, I recognize the vital role our health care and education systems play in our province as it directly affects our future generations.
